ELECTION

Madam:

This is in response to the United States Patent and Trademark Office Action mailed December 26, 2007, which response is being made on or before February 26, 2008 and for which an extension fee of \$120 is due.

The Examiner has required restriction to one of the following inventions:

- I. Claims 18-22, 37 and 46, drawn to a method of assembling and testing a specific circuit arrangement.
- II. Claims 23, 38 and 47, drawn to a device containing a specific circuit arrangement.
- III. Claims 2, 3, 6-8, 10-12, 14-17, 29, 36, 40, 44 and 45, drawn to a method of assembling and testing a specific circuit arrangement. Applicant presumes that the Examiner intended to also include claim 13 in Group III because claim 13 depends from claim 12.

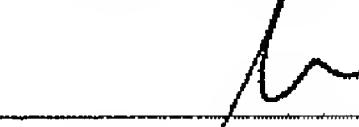

IV. Claims 26-28, drawn to a method of assembling and testing a specific circuit arrangement.

V. Claims 32-35 and 42, drawn to a method of assembling and testing a specific circuit arrangement.

VI. Claims 30 and 41, drawn to a method of assembling and testing a specific circuit arrangement.

Applicant elects Group I (claims 18-22, 37 and 46) for examination.

Respectfully submitted,
